Instructions and Expectations

MHRA: 4338

YOUR ATTENTION IS DRAWN TO THE FOLLOWING:

This is a custom made dental appliance that has been manufactured to satisfy the attributes, characteristics, property and features specified by the client for the above patient. The dental appliance is intended for the exclusive use by this patient and conforms to the relevant essential requirements specified in Annex 1 of the Medical Devices Directive and the United Kingdom Medical Devices Regulations.

THIS STATEMENT DOES NOT APPLY TO REPAIRS AND PRE MOUTHGUARDS.

STORING, HANDLING AND INSTRUCTIONS FOR USE.

It is recommended that before using this dental appliance it is stored in a clean and safe environment that prevents from coming into contact with materials, equipment, acids, alkalis or bleaches that could cause physical or chemical damage to the dental appliance. This dental appliance should not be in extreme room temperatures during storage.

THIS DENTAL APPLIANCE IS SUPPLIED IN AN UNSTERILISED STATE
